CORRECTION

In: Fourth Announcement: XXXIVth Conference of the International Society for Fluoride research, Guiyang, People's Republic of China, October 18–20, 2018. Fluoride 2018;51(1):1-2. The position of Kenji Akiniwa in the Japanese Society of Fluoride Research, Japan, should have been given as Vice President rather than as Professor. I apologize for the error and will endeavour to check more carefully in future.
