Dear Madam/Sir

I enclose the rates for Fluoride for 2022 together with answers to some questions.

Yours sincerely

Bruce Spittle

The rates for *Fluoride* ISSN 0015-4725 in hard copy for 2022 have been kept the same as for 2021. Free access to *Fluoride* as an open access journal will remain at <http://www.fluorideresearch.online>

The rates for 2022 (set at the exchange rates present on 12 October 2020) are: US\$183, Canadian\$240, £140, Japan¥19,000, €155, Australian\$253, or New Zealand\$275. A NZ\$20 discount is available if it is posted to a NZ address, i.e. NZ\$255, and a discount of A\$14 is available if posted to an Australian address, i.e., A\$239, as the postage is less. The cost of back issues has also risen to US\$20 per issue of approximately 96 pages to reflect the increased costs.

The subscription charges may be paid in any of the above currencies.

No agency discount is available.

Electronic access to the online version, ISSN 2253-4083, is available free at <http://www.fluorideresearch.online>. No password required. It is not necessary to have a hard copy subscription to access the free online access.

Volume number for 2022 is 55. Published quarterly.
